our 5 tips.

For returning
home happy.

Discover the surroundings.

On the mainland.

A-ROSA Lago di Garda is the ideal starting point to discover an area full of surprises. Just a few steps from the city, enchanting scenarios open up, where history, nature and taste come together in a unique experience.

For lovers of sports and nature:

Golf: In the surroundings of Salò, there are some of the most prestigious golf courses in Italy, such as the Golf Club Il Colombaro, the Gardagolf Country Club and the Arzaga Golf Club. Ask and book at the reception to get special rates.

Vespa and bike: Explore the area on a Vespa, whizzing through the curves that run along the lake, or choose the bike for a more active and sustainable excursion. There are many cycle paths that wind through hills, vineyards and olive groves, offering unforgettable views. Take advantage of our collaboration to spend a day with the wind in your hair.

Tennis: If you love tennis, in Salò and its surroundings you will find several courts where you can train and challenge your friends.

Beaches: Salò offers equipped beaches, where you can relax in the sun and swim in the crystal clear waters of the lake, and beaches dedicated to dogs, to enjoy the lake in the company of your four-legged friend.

For those seeking relaxation
and authentic flavours:

Tastings: Let yourself be conquered by the authentic flavours of the area, participating in tastings of extra virgin olive oil and fine wines, such as Lugana and Charetto. Visit the local farms, discover the secrets of production and taste the typical products, accompanied by homemade bread and cheeses.

Local markets (from 8.00 to 13.00): Immerse yourself in the lively atmosphere of the local markets, where you can find fresh and genuine products and artisan specialties.
